Serial No 48

Letter No C 825-11 dated 27-7-37 from the Director of Health furnishing the information called for

2 From the information furnished, it is seen that Mr Govindaswamy Chetty was only drawing a pay of Rs 35 p.m. for about 2 years before he was appointed as a Village Panchayat Inspector. He was confirmed as a last grade Sanitary Inspector on Rs 35 p.m. from 19-8-25 and he could not draw any increments in the Sanitary Inspector's grade as the pay of the post was fixed at the minimum of Rs 35 p.m. If he had continued as a Sanitary Inspector without being appointed as a V P Inspector it cannot be said with certainty when he would have been allowed to draw increments. The recommendation of the Director of Health is to count this period also as service qualifying for increments, when the appeal was not entitled to get any increments. It would seem sufficient if the period from 1-2-27 (the date from which he was appointed as a V P Inspector) is taken into account for calculating increments. If this proposal meets with approval, the appeal would get a pay of Rs 49 from 17-12-34 or Rs 53 from 17-12-36 in the new grade 35-2-55-4-57

I therefore request you to be so good as to obtain and convey sanction of Government for fixing the pay of Mr C V Govindaswamy Chetty at Rs 53/- or 17th December 1934 the date of Government Order revising the scale of Sanitary Inspectors The Service Register of the Sanitary Inspector is enclosed for perusal

(1) The Service Register of the official shows that he was a permanent Sanitary Inspector from 19th August 1925 drawing a pay of Rs 35/- per mensem and that he was absorbed as a permanent Village Panchayet Inspector on Rs 40/- plus 15 per mensem from 1st -- February 1927 It is not, however, clear whether the official drew his increments in grade Rs 35-2-67-5/2-87 from 19th August 19 5 to 31st January 1937 and if not hy he was not allowed to draw the increments

With reference to your Memo No D3 4137/36-37 dated 15th May 1937 forwarding Health Director's letter No C 825-7 dated 8th May 1937 in the matter of furnishinginforration called for by the Secretary to Covernment, Development Department in his letter No L 6632/M1 75-36-31 dated 15/16th March 1937 about fix ng the pay of Mr C V Govindas vami Chetty, Sanitary Inspector, Chamarajanagar at Rs 53/- per mensem, I beg to enclose herewith the explanation obtained from the said Sanitary Inspector, on the points referred to for your kind perusal

1 From the explanation it is observed that though he was confirmed as Sanitary Inspector in the year 1925 he was barred from drawing his increments, having been appointed as a last grade Sanitary Inspector under a special Government Order (Copy enclosed)

2 From the same explanation it will be further observed that though he was appointed and posted to Tumkur Town Municipality on an enhanced pa of Rs 50/- plus Rs 10/- B A , in a vacancy caused by the unexpected demise of the permanent incumbent, he had to unfortunately revert to his former pa of Rs 40/- plus Rs 10/- consequent on a thrown-out Village Panchayet Inspector b ing absorbed in this vacancy by order of Government

The Service Register and Character Books are herewith resubmitted as directed

Explanation submitted for kind perusal in regard to the points raised by the Secretary to Government, Development Department, with reference to Health Director's Letter No C 825-7 dated 27th January 1937 and in obedience to Mysore District Deputy Commissioner's Order No D3 4137/36-37 dated 15-5-1937 communicated through the Municipal President's Memo dated 18th May 1937

---

1 The post of Sanitary Inspector at Gudibanda(of Kolar District) had been abolished for some time prior to 1925 on the ground that the Taluk Board and Municipal Council, Gudibanda were not in a position to meet the cost of a Sanitary Inspector in the graded pay On their subsequently agreeing to contribute towards the cost of a last grade Sanitary Inspector, the appointment of a last grade Sanitary Inspector was ordered in Government Order No L 6208-11/S B 2-22-15 dated 20th February 1926 (copy enclosed) The President, District Board, Kolar, was pleased to confirm and post me to Gudibanda in pursuance of the above Government Order (Vide Kolar District Board President's Memo No D1 Dis 9/25-26 dated 5th August 1925 Copy enclosed), in consideration of my having been an acting Sanitary Inspector from a long time Such were the unfortunate circumstances under which I was first given a permanent footing And my appointment as a last grade man was a bar to my drawing any increments till my retention in that particular place (i e Gudibanda)

2 In the year 1933 the vacancy of a Sanitary Inspector's post occurred in Tumkur Town Municipality by the unexpected demise of the permanent incumbent Mr G Y Shankarappa The Deputy Commissioner, Tumkur District, was pleased to appoint me in the vacancy on an enhanced pa of Rs 50/- plus Rs 10/- per mensem (Vide Memo No S C 892/33-34 dated 30th October 1933 Copy enclosed) But the misfortune which was still dogging after me appeared again to have its adverse tole as heretofore After a few months I had to make room to one Mr D Ananthaiah, a senior thrown-out Village Panchayet Organiser who was appointed by Government and posted to Tumkur Town Municipality in my place

Under the circumstances, I had to revert to my former place as Sanitary Inspector, Madhugiri Town Municipality on Rs 40/- plus Rs 10/- per mensem
